

# Bicycle repairs

Out on a bike ride and your bike breaks down? Don't worry! There are plenty of places to get your bike repaired in Mechelen.

## Fietspunt Mechelen

The staff of the **Fietspunt Mechelen** are available for helping stranded cyclist every weekday between 7 am and 7 pm. They carry out any small repairs that are necessary so that you can get home by bike safely and legally: repairing punctures, the light, etc. For larger repairs, the staff will refer you to the traditional bicycle repairman.

## Public automatic bicycle pump

Against the historic building De Zeeridder, just opposite the Huis van de Mechelaar, there is a public, automatic bicycle pump. Anyone who wants to pump up their tyres quickly and easily can do it in the wink of an eye here.
