

Restaurants for groups

Do you want to give your group a taste of Mechelen? Are you looking for a suitable restaurant? Then take your pick from the list of restaurants on our website. All these restaurants have the capacity to receive your group in a qualitative manner.

A typical Mechelen speciality is Malines chicken. This chicken is a cross-breed of cuckoo-patterned domestic farm chickens and imported Oriental chickens. Malines chicken meat is firm and deliciously tender. It is used in several dishes and pairs nicely with a refreshing glass of Gouden Carolus.

Restaurants with an (*) serve Mechelen Cuckoo.
