

Discover Mechelen

“Though flanked by the more famous Brussels, Antwerp and Bruges, the smaller city of Mechelen is equally charming”, as an article in the French newspaper Le Monde recently pointed out. Unknown to some and sometimes underestimated, Mechelen is multifaceted and full of surprises. Perhaps you are a journalist, influencer or travel professional interested in what we have to offer? Then take a look inside our promotional brochure.

For tourism professionals

Tourism Mechelen wants to help tourism professionals develop interesting travel programs for their customers and provide you with up-to-date information on what Mechelen has to offer both culturally and touristically, as well as with promotional material. In short: professional advice to fit your customer's needs.

For press

Tourism Mechelen wants to help journalists, bloggers and influencers find unexpected angles, puts you in contact with the right people and provides you with the necessary reservations and appointments. In short: professional advice so you can get to know Mechelen from the inside out.
